## REPORT OF CEMETERY COMMISSION

To the Citizens of Pownal:—

During the past two years our annual appropriation has been reduced from one hundred dollars to fifty dollars.

Interest rates have been reduced during the same time, one half on our Perpetual Care Funds. Naturally this reduces our ability to do what we would like to do in keeping our cemeteries in respectful condition.

The Treasurer submits the financial report for the year.

Pownal Cemetery Commission,  
C. P. HEYWOOD, Chairman.

## REPORT OF THE BOARD OF HEALTH

To the Citizens of Pownal:—

We have had two quite wide-spread epidemics during the last year, one last Spring when we had eighteen cases of chicken-pox reported. This Winter we have had twenty-two cases of whooping cough. Our other contagious diseases have been of minor consequence. We have fumigated two school houses.

We held a Health Clinic at the Town Hall where much valuable assistance was rendered. We also had all the children carefully examined in the various schools. We have endeavored and hope yet to get through a Federal E. R. A. project to take care of the necessary adenoid and tonsil operations.

Many thanks are due to the Health Nurses and Doctors Freeman and Paresi for the valuable assistance rendered.

Blanks for reporting all contagious diseases may be obtained from the local Board of Health.

Respectfully submitted,

LAUREN H. TUTTLE,

Health Officer and Sec. of Local Board of Health.

## REPORT OF THE FIRE WARD

There were fourteen calls this year as follows:—

March 14—Chimney fire at residence of Harry Noyes.

March 26—Roof fire at residence of R. A. Sawyer.

April 10—Grass fire at Joseph Thompson place.

April 18—Chimney fire at residence of Mary Chapin.

May 11—Grass fire at William Currier place.

May 23—Chimney fire at Latham place.

May 24—Booder house at Mrs. Peter's place.

May 31—Chimney fire at residence of B. H. Britt.

June 21—Chimney fire at residence of Fred Small.

Aug. 8—Chimney fire at residence of B. H. Britt.

Dec. 8—Chimney and roof, residence of Vina Vosmus.

Jan. 3—Chimney fire at residence of Allan Brooks.

Jan. 3—House of Charles Young.

Jan. 20—House of Frank Blair.

There were also two fires in the eastern part of the town which were attended by the Freeport Fire Dept., and of which I have no record. As a result of these two fires and conditions affecting that particular section of the town, O. O. Stover was appointed as Deputy Fire Ward to facilitate action in time of fire. The two fires at North Pownal on Dec. 8 and Jan. 3rd were handled by Bernard Small acting as Deputy there.

At both the Young and Blair fires, total loss resulted. The fire warden wishes to thank everyone for the excellent cooperation during the past year.

Respectfully submitted,

JOSEPH H. PERVIER,

Fire Ward.

## SCHOOL REPORT

### REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Pownal:—

In accordance with the provisions of the school laws of Maine, I hereby submit my tenth annual report as Superintendent of the Pownal Schools. As we are still operating our schools on a curtailed program, there is not much to report in the way of progress, during the year, except some repairs and remodelling work which have been effected on the different school buildings under C W A and F E R A projects. All information of a statistical nature will be found in the tabulated sheets at the end of this report.

## ENROLLMENT AND INSTRUCTION

With an increased enrollment to care for in the schools, all efforts have been centered, this year, upon making the best of everything that was available to maintain the regular routine work at the highest efficiency possible. The five schools in town completed the school year in June in charge of the same teachers and under the same arrangements as reported last year. As a matter of economy, the graduation exercises were again omitted, but the following seven pupils, having completed the work of the eighth grade, were awarded "Certificates of Promotion" to high school:

### WEST POWNAL

Sara G. Edwards

Ruth E. Emmons

### NORTH POWNAL

Channing Penley

### CENTER GRAMMAR

Louise George

Thomas Vosmus

Earle Libby

Charles Jordan

At the opening of the fall term, three new teachers were employed to fill vacancies in the Center Grammar, Hodsdon, and North Pownal Schools. All three of these teachers are "Normal School" graduates, but those assigned to the last two mentioned schools were without previous teaching experience. Nevertheless, with a total net increase of 20% in enrollment, in all the schools, which appeared at this time, and with overcrowded conditions at the two Center schools, a very commendable grade of work is being accomplished. Due to this increase in enrollment, we have been obliged to buy additional books and supplies for the different grades, with what funds were available. No money has, therefore, been available to change some of the basic textbooks that have become somewhat out of date. A kind friend of the schools has offered \$10.00 in prizes, \$2.50 to be awarded to the boy or girl in each of the four upper grades who remains standing the longest in an oral spell-

ing match. Plans are under way to hold these spelling contests in Mallett Hall during the third week in February.

### REPAIRS AND IMPROVEMENTS

In accordance with the vote of the town, last March, the Brown Schoolhouse was sold and the proceeds added to repair funds. From this account, it has been possible to buy the necessary material to receive a federal allotment of labor. This project has included enlarging and painting the school room, and building a new woodshed and toilets, at the Center Grammar School, retopping the chimney at North Pownal School, and finishing minor repair jobs at the other school buildings. The buildings are now all in good repair, except for the outside paint and the floor at the Hodsdon School building.

### ACCOUNTS

After carefully considering the needs of the schools, your School Committee are recommending the following minimum appropriations for next year, based on present expenses, which amount to \$250 less than was raised last year.

### APPROPRIATIONS

|                         |         |
|-------------------------|---------|
| Common Schools,         | \$2,200 |
| High School Tuition,    | 1,500   |
| Superintendent,         | 200     |
| Textbooks and Supplies, | 100     |
| Repairs,                | 150     |
| <hr/>                   |         |
| Total,                  | \$4,150 |

Although living expenses are increasing, no increases are planned under the Common School Account this year, the recommendation being based on the present cost of operating the schools, with the idea that less money will be allotted to this account from the general State school fund. The amount recommended for High School Tuition is \$450 less than was appropriated last year, but it is planned to use the balance and to make a larger

allotment to this account from the general state school fund. The recommendations, for the other accounts, are the same amounts as were appropriated last year. Having funds available for the purchase of repair material may make possible another federal allotment for labor during the coming year.

May I at this time express a proper appreciation for the splendid spirit of co-operation that has been present in all efforts to maintain school privileges for the boys and girls of Pownal.

Respectfully submitted,  
RALPH G. OAKES,  
Superintendent, of Schools.
